

Save the One

6th Annual Memorial Walk

Thursday, September 22nd, 2011

SPAN Idaho is walking all across Idaho this September. We walk to remember one lost, and to save one still with us. Suicide takes a life in Idaho every 40 hours leaving behind devastated family, friends, co-workers and communities each time. Idaho consistently ranks among the top ten states in number of suicides per capita. Suicide is the second leading cause of death among Idaho's youth. Together we can change these statistics and save lives. By walking to remember those lost, we can also raise public awareness about suicide prevention. We all have the ability to **Save the One** next to us- at work, on the school bus, at the dinner table or at the store. Join us in this statewide effort and help save a life.

A memorial walk will take place on

Thursday, September 22nd, at 6:30 p.m.

at the Aspen Grove (south/west corner) of Community Park

We will have a short walk, followed by sharing and learning more about resources available in our community for survivors, and about suicide prevention.

National Suicide Prevention Week is September 4th - 10th, 2011,
surrounding World Suicide Prevention Day, September 10th.
