## Introduction

The information contained in this guide was compiled by SPAN Idaho from several national and local resources. Every effort has been made to verify the information is correct and complete. If you notice inaccuracies or omissions please contact SPAN Idaho at (208) 860 – 1703 or send email to [info@spanidaho.org](mailto:info@spanidaho.org).

This guide is intended for crisis intervention and does not include some resources that may be helpful in building protective factors and resiliency to reduce the possibility of an individual attempting suicide.

The resources in this guide are grouped according to the Idaho Department of Health and Welfare's Mental Health regions. See the map on page 4 to determine what region you live in. Resources included are Mental Health and Substance Abuse Treatment Centers, Crisis/Hotline phone numbers, School District numbers, Child Protection Services, Adult Protection Services, and the SPAN Regional Chapter contact information. When contacting your school district, you will want to ask for the Safe and Drug Free Schools representative or your school counselor.
